

SAIL CHICAGO LAUNCHES BAREBOAT CRUISING

On the weekend of June 19, 20 and 21, Priorities completed its first port-to-port US Sailing Bareboat Cruise. The winds dictated a sail to Waukegan and we arrived moments before the storms rolled in. Here are some pictures from our trip.

From left to right are Bob Lapin, Simeon Stairs, Adam Wisneski, and Flavio Salinas. Bill Christopher is below plotting our position on the navigational chart.

Bill Christopher and Bob Lapin launch Priorities' new whisker pole. We made 7.9 knots speed in a 15 knot wind - quite a ride.

A hungry crew enjoys the night life of Waukegan. A taco and beer go down well after a long day on the water.

Priorities and crew enjoy a sunset in Waukegan. Waukegan is a pleasant harbor with all the amenities. The people are very friendly and welcoming.
