Why would you like to be on the Sail Chicago Board?

- Having been subjected to various aspects of the organization, I feel this is a key role where I can contribute to the improvement of the organization
- However, I know Christine Garvey is also running for the board this year, and if it was between me and her, I'd respectfully step aside and let her take on the challenge, as there are many other operational areas where I can contribute at this time, such as working on technology with Sam Veilleux and Mike Parapetti or boat maintenance with Frank Loftus, or instruction with John Lemon, etc.

What is your vision for the future direction of Sail Chicago?

High quality sailing experience:

- Low-cost sailboat rentals
- Well-maintained boats
- One-of-a kind sailing programs in Chicago
- Community involvement/outreach
- Membership social events
- **Sustainable** growth and ways to achieve that
