

**FOR IMMEDIATE RELEASE**

## **Sail Chicago Offers Affordable Sailing Instruction on Lake Michigan this Summer**

CHICAGO, March 28, 2011

Sail Chicago is a volunteer-driven organization that instills confidence, teamwork, and a sense of community through a range of educational and recreational sailing programs that emphasize sailing competence and boating safety. We are committed to providing access to the enjoyment of sailing to everyone in the greater Chicago area.

With boats located in four separate harbors along Chicago's lakefront, Sail Chicago has for over fifty years been offering affordable sailing instruction and access to sailing without the cost of private ownership and boat maintenance. Our many sailing programs include outreach to Chicago youth, adult sailing instruction at a variety of levels, recreational sailing, cruising, and racing.

For more information about our many sailing programs, to become a member, or to register for classes, please visit our website at <http://www.sailchicago.org>
