The Hottest Property On The Block... A Home!

Sponsor The Adoption Exchange Annual Monopoly Evening

Please join The Adoption Exchange Nevada Advisory Board as a sponsor of our Annual MONOPOLY® Tournament, being held on **Saturday, June 27th, 2015 at the Stan Fulton Building on the Campus of The University of Nevada, Las Vegas.**

Your sponsorship will impact the lives of over 1100 Clark County children in foster care, hundreds of whom are available for adoption. Secure your PRIME PROPERTY today and help make sure every child gets the opportunity to GO... Home!

With your support, we can come one step closer to finding permanent and loving families for children waiting in foster care... children like Amiyah.

Meet Amiyah! This happy girl is a joy to be around! Amiyah loves a variety of activities, including: dance and cheer, track and gymnastics. Putting a puzzle together is a challenge that Amiyah adores. Amiyah has a fantastic sense of humor and a bundle of energy but takes her schooling seriously. She enjoys English and writing and she's very proud of her recent science fair project. Her aspirations in life are many, but she also dreams of being adopted into a loving home, she enjoys being around other children and animals are important to her. **Id:137994**

The Adoption Exchange is dedicated year-round to helping children in foster-care find safe, loving, and permanent homes. The annual MONOPOLY® Tournament is the signature fundraising event that keeps this organization moving. **In 2014 The Adoption Exchange recruited for over 1,292 children nationwide. In Nevada alone, we helped to place 77 children. We're making a big impact here in Nevada everyday.**

We are excited to announce we will be honoring the Marlon Foundation and Dr. and Mrs. Marlon for all of the support they have given us over the past several years. Their support has been incredible at helping to change the lives of Nevada's foster children in need of permanent adoptive homes.
