# Spotlight on Quality

## Audrey Rosenstein

Quality Caregiver, Volunteer,  
QPI Co-lead and more!

***Each month the Foster Parent Champion Program highlights a caregiver, case manager, or other foster care team member who exemplifies the quality of care that we strive for as a community focused on the needs of children.***

Audrey Rosenstein is an amazing individual who has a kind word for everyone she meets. She does an amazing job at helping others and putting everyone else's priorities above her own. Audrey and her husband Craig have been married for more than 20 years. Together, they have 14 children (five biological, seven adopted from foster care and two currently in foster care) ranging in age from toddlers to adults!

Audrey understands the foster care system and her role goes beyond being a foster and adoptive parent.

Audrey is the president of Fostering Southern Nevada, a support group for foster and adoptive parents. She also co-leads the QPI Nevada Support and Retention Workgroup and serves on various program committees, such as the recent group that created the Passport to Partnership event.

Audrey manages Peggy's Attic, the donation cottage for Child Haven. Peggy's Attic provides clothing and personal items for children coming in to the foster care system.
