When STEM Gets Social, It's Your Time!

GIT's flagship programs Mentor-Protégée and **CyberPatriot Girls** in partnership with high schools and universities in Maryland and Virginia, are hosting an evening of *fanfare*, *fun*, *fashion* and *food* to celebrate our 2015-2016 season.

- Cyber games, robot toys, marble runs
- Hack a Master Lock
- Dance, Dance Revolution
- Dress Up for Success Makeover
- Professional Headshot
- Dream Videos

And much more!

- Fun Fotos
- Virtual Reality Experience
- 3D Printer Jewelry and Gear Toys
- Finders Keepers – take home your Dress Up for Success finds

Come meet and mingle with GIT Girls to share this year's STEM success.
