Whether you're walking solo, form a team or just write a check to support others – Your support keeps GSE strong and ensures **we are able to fight for** every member of **the LGBT community** and those who need our focus such as **LGBT youth, senior citizens** and those in our **transgender community**

We fight every day to protect students all over New Jersey from bullying, harassment, and intimidation.

Every walker and team leader who raises \$300 will receive a Garden State Equality t-shirt. **[More incentives, prizes and details to be announced!](#)**

If you can't physically be at the Equality Walk, we invite you to be a Virtual Walker. You can still register and collect donations online!
