

RECOVERY COACH ACADEMY

5 Consecutive Saturdays
Registration Deadline 12/28/15

Recovery Communities of North Carolina (RCNC) is pleased to offer the CCAR *Recovery Coach Academy (RCA)*. This training is for individuals who are or want to be involved in the recovery initiation of others and want to become a personal guide and mentor for people seeking or already in **addiction recovery**. Applicants can be in recovery themselves, a family member of someone in recovery, or a recovery friend/ally.

Recovery Coaching is a **peer-based addiction recovery support service** that is non-clinical and designed to engage others beyond recovery initiation through stabilization and into recovery maintenance. Similar peer interventions in clinical settings have been shown to improve engagement and retention of people seeking services. It is also known that long-term treatment and/or recovery outcomes are improved by assertive linkages to community-based recovery supports such as Recovery Coaching.

The training will cover the Connecticut Community for Addiction Recovery (CCAR) model for peer specialist roles and responsibilities.

Dates:	5 consecutive Saturdays January 9, 16, 23, 30 & February 6, 2016
Time:	9:00am to 4:30pm. (Registration on day 1 begins at 8:30am)
Location:	RCNC Recovery Community Center 3540 Maitland Dr., Suite 107A, Raleigh, NC 27609
Cost:	\$150, includes the manual and daily refreshments
Payment:	Online through www.rcnc.org or check/money order made out to RCNC and mailed to RCNC, 3540 Maitland Drive, Suite 107A, Raleigh, NC 27610

Participants will receive a CCAR Recovery Coach Academy Certificate at the end of the training, with enhanced skills for working with individuals in or seeking addiction recovery. No certificates will be issued for partial completion.

Questions regarding the application process may be directed to Betty Currier, CCAR RCA Master Trainer, bcurrier@nc.rr.com or (607) 287-2106 Please email attached application to bcurrier@nc.rr.com

This training may be used to meet continuing education requirements for the North Carolina CPSS. The CCAR Recovery Coach Academy is approved by NCSAPPB for 30 contact hours. Approval Code: 15-468-S
