2016 Call for Nominations

The Foundation for the History of Women in Medicine is pleased to accept nominations for our Alma Dea Morani, M.D. Renaissance Woman Award. This Award will honor an outstanding woman physician or scientist in North America:

- who has furthered the practice and understanding of medicine and the medical sciences in our lifetime and made significant contributions outside of medicine; for example, in the humanities, arts or social sciences,
- whose determination and spirit have carried her beyond traditional pathways in medicine and science; and
- who challenges the status quo with an awareness of the potential and contributions from women.
