XXIV INTERNATIONAL CONFERENCE

Here we build the teachings. Here we are laying the foundations for the future of Sat Nam Rasayan. Being here is much more than a duty, is essential. Share with us and with the Sat Nam Rasayan family this incredible 6 days course.

HEALING IN THE PATH OF SELF-REALIZATION

Six days with **Guru Dev Singh**, Master of Sat Nam Rasayan. Renew your body, mind and soul while deepening your experience.

Healing from the view of Sat Nam Rasayan

In Sat Nam Rasayan, sickness is described as "a tendency of the body to react." The reaction can be a pain, an emotional problem or a serious illness.

In the course of the education, the Sat Nam Rasayan healer develops the ability to find and dissolve these blockages, thus the self-healing powers of the body can become effective again.

The power to heal comes from the sacred space not from the healer's personality or sensitive space.

God heals

All the healer does is to establish a connection with God using the right language, the language of neutrality.

From Dec. 3rd at 3:00pm to Dec. 9th at 1:00pm
