

Summer 2016 Newsletter of Dr. Eddie Wang

July 15, 2016

Dear beloved Friends:

Dr. and Mrs. Eddie Wang came to Saipan to attend the 2T Graduation for the V Group from July 6 to 13. He encouraged the 38 pastors and preachers of the 2T men and asked them to be faithful to the Lord and challenged them to serve Biblically and faithfully when they go back to China at the graduation ceremony on July 8. Many of the pastors and preachers were touched by Dr. Wang's testimony.

Surgeries Recovery Dr. Wang's recovery after all the surgeries

went well, and the recent checkup revealed no cancer cell which is good news. He is working more to resume his ministries. He traveled to China last spring and visited friends and relatives to encourage them to follow Christ, and more importantly, to encourage the 2T house churches to remain faithful in the time of persecution. He is a living testimony for the young pastors and preachers in the ministry.

2 T Training inside of China The training in DC city in China is almost finished, and the graduation of the leaders' training is soon. Many American pastors and teachers went to DC city to teach them, including Pastor Keith Cullers, Dr. Mike Privett, Dr. Marty Herron, Dr. Wayne Johnson and Dr. Bruce McAllister. Pastor Johnny Pike and Dr. Dann

Patrick will be arriving to teach the people there next month. The second training ground in Shan Dong has to relocate due to the recent government crackdown. However, everything is under control, and training will continue as scheduled.

Church School Movement and Christian Educators' Training EUCON PY was forced to close down. However, we are planning to move to another city so that we will be able to continue the church school. We will establish more church schools and home schools so that we can help the churches to have godly families, to raise godly children, and to strengthen the local church to serve God as a godly church. The new group of Christian Educators will be in Saipan for six weeks training in the middle of July. There will be another **37** Christian Educators in training.

2 T Training in Saipan We have seen **38** of the V Group 2T men graduate on July 8. The total number of these pastors' church members, according to the record they gave us, is **4680**. This is not including other contacts they have. Since the beginning of pastor training in 2005, we have trained more than **330** pastors and preachers in China, and estimate the contacts of Chinese Christians to reach to about **1.8 million** inside of China.

If you would like to contact Dr. Wang, please email him at eddiawang1936@gmail.com or write to **227 Terrell Drive, Rolesville, NC 27571**. God bless.

In Christ,
Christian Wei
