This wonderful film combines Theodore Bikel's masterful performances and storytelling with the remarkable life and work of Sholom Aleichem who filled Jewish literature with his Yiddish characters. SPEAKER: AMERICAN JEWS AND ISRAEL

Would you risk everything to help your fellow Jews in crisis? In 1948 just 3 years after the liberation of Nazi death camps a group of American World War II pilots answered Israel's call for help and secretly fought for Israel in its War for Independence. ABOVE AND BEYOND is the story of these heroic pilots who not only turned the tide of war but also strengthened their own identification with their Jewish heritage. True story and fantastic film.

DELIMAN

Sunday afternoon, March 13, 2016 **Film 2:00 PM**

DELIMAN is the story of Ziggy Gruber, a third generation Deli Man and French trained chef, co-owner of KENNY AND ZIGGY'S DELI in Houston, Texas. Think of the tasty deli foods we love, kishka and knishes, smoked fish and herring, blintzes, babka and bagels, and you are invoking Jewish ethnic cuisine at its best. All these foods are part of the rich tradition that Jewish cooks brought to America. The story of the American Jewish Deli is the story of the Jews in America and Ziggy Gruber is our guide to that story in this wonderful film.
