

**SAVE THE DATE TO VOLUNTEER  
FOR  
ST. VINCENT DE PAUL HIGH SCHOOL'S**

***2016 BACCALAUREATE DINNER!***

Dear Parents and Students,

April 18, 2016

It is time to start planning an elegant and memorable evening for our seniors known as St. Vincent's **Baccalaureate Dinner**. Baccalaureate is a farewell address delivered to a graduating class. This special evening for seniors and their parents is one of the final times that they will come together to celebrate as the **SVHS Graduating Class of 2016!**

This year we will be hosting approximately 285 guests which will include seniors, their parents, faculty, and guest presenters. Therefore, we will need an ARMY of other parents and students to volunteer their time to assist in setting-up, decorating, serving, and cleaning-up Tillman Hall in order to create a wonderful evening.

This is one of the most volunteer intense events at SVHS...and it is a lot of fun! Students and parents will receive service hours for their time, which will count toward the **2016-2017** school year. Volunteering for this event is a great way to get a jump-start on next year's service requirements!

We need parent and student volunteers on Friday, June 3rd, Saturday, June 4th and Monday, June 6th. Parents, please log onto **Beehively** to view job descriptions and to sign-up. Students, please see Mrs. Scott to sign-up. Thank you for helping make this a magnificent night for the Senior Class of 2016!

Wendy Gatti

Co-Chair - SVHS Baccalaureate Dinner
