| Late Registration Students who register after the cutoff date will incur an additional \$150.00 fee. | | | |
| TOTAL | | | |

Please note that this course is designed to teach experienced SPF installers how to create an Air Barrier using Spray Polyurethane Foam. For certification purposes, a minimum of 3000 hours of work experience either directly with air barriers or in applicable related trade experience is required, with 1500 of those hours being directly related to SPF.

It is an ABAA policy that each company requires one person trained in an ABAA Installer Training Course **and** one person trained in the Quality Assurance Program Administrator Course. This can be the same individual.

****Payment must be received by the ABAA office prior to the course start date**

- My check for total payment, made out to ABAA is enclosed
- I would like to charge my registration fees for total payment to my **VISA / MasterCard / American Express**

_____ / _____ / _____
 Card number Expiry date CVV Cardholder's name (as shown on card)

ABAA reserves the right to cancel with a minimum 5 days notice, based on lack of registration. Students who cancel their registration with less than 5 business days notice will not receive a refund.

We advise all students to hold off on making any travel arrangements until the class has been confirmed as proceeding.
 Attendees are responsible for travel and hotel costs.

Please complete and submit the registration form to the ABAA office either via email or fax, do not mail.
