Host Recommendations for National Night Out

- This is a casual get together on your front lawn—don't over-think it!
- Invite your neighbors— the attached invitation is for you to fill out and make copies to distribute to your neighbors.
- Make this a team effort— whether it is a potluck or just desserts and beverages, everyone can bring something.
- Tell your neighbors to turn on their outdoor lights and lock their door when they attend your event.
- The Long Beach Police Department is committed to having a representative stop by your event. Call LBPD Neighborhood Services Specialist Ruth Anne Salau to schedule at (562) 570-5808 or email her at ruthanne.salau@longbeach.gov.

When Neighbors Connect, Crime is Reduced
