Please Join us on August 4th for National Night Out

Host: _____

Our Address: _____

Time: _____

Please Bring: _____

Details & RSVP: _____

Please join us at our home to support National Night Out. This is a casual social evening to promote awareness, safety and neighborhood unity by getting to know one another. Councilwoman Price has partnered with the Long Beach Police Department to promote the Community Watch Program so that more residents are engaged in the process and are meeting and talking with their neighbors in order to protect our best assets, our family and homes. The Long Beach City Council will not be meeting on August 4th to participate in National Night Out. The goal is to meet and socialize with our neighbors. In addition, a representative from the Long Beach Police Department will be stopping by. We look forward to seeing you!

When Neighbors Connect, Crime is Reduced
