

# Turtle Trek

## Los Cerritos Wetlands Bird/Nature Walk led by naturalists from Tidal Influence

**Saturday,  
Feb. 6, 2016  
8:00 a.m.**

*These events are family friendly and  
you are sure to have a good time.*

Meet us in the driveway near 1st street  
and PCH. You may park in the  
driveway. **RAIN CANCELS.** The  
wetlands are wildlands; please dress  
accordingly. **Closed toed shoes  
required.** We encourage reusable water  
containers. Children under 14 must be  
accompanied by an adult. For more  
information or to RSVP contact  
[elizabeth@LCWlandtrust.org](mailto:elizabeth@LCWlandtrust.org)

Our walk begins with a brief orientation to our wetlands. We will walk along 2nd street to the bridge and look for sea turtles. For part of our tour we will view and discuss the Zedler marsh eco-system while keeping an eye out for local wildlife. Part of our walk will take us through the Signal Hill Petroleum oil operations where we will talk about the history of oil operations and their impact on the wetlands. We will wrap up our walk by hiking along Calloway marsh, taking the PCH bridge over to the western levee and walking past newly acquired city owned wetlands past the Pumpkin Patch, land swap property and campground marsh.

We will complete our walk by heading back along the access to the parking. Bring binoculars, if you have them; we will observe many different kinds of interesting wildlife.
