DOMESTIC VIOLENCE AND ABUSE

CAN WE TALK?

Min. J. "Jamie" Frederika Eaddy
I Just Believe Ministries, Inc,

Min. Jamie will share with us the inspiration for her hot off the press book, "Getting Naked To Get Free." She invites us to find ways to engage in conversations around the issues that cause damage to our souls more regularly. She asks us to invite God into all of those closed doors where we've stuffed and locked away our pain. Min. Jamie says, "God is big enough to handle our questions, our sadness, and our rage. So, can we talk about this?"
