

The Tulsa Day Center is very thankful for all of our wonderful volunteers, both individuals and groups. During April, volunteers contributed more than 400 hours of service and this number doesn't include all of those that prepared and served meals to our clients. So **THANK YOU, THANK YOU!**

The Day Center continues to look for bright, friendly, dedicated people to volunteer in several areas: reception desk, kitchen, clothing room, shower desk and more. Hudson Villas, our permanent, supportive housing complex, also has several volunteer opportunities available.

**You Can Make a Difference!**

Contact Colleen Edwards, Volunteer Coordinator at [cedwards@tulsadaycenter.org](mailto:cedwards@tulsadaycenter.org) or visit our website [tulsadaycenter.org](http://tulsadaycenter.org) and complete the on-line volunteer application.

**THANK YOU**  
**to all of you that**  
**continue to provide**  
**nutritious meals for**  
**our clients**

727 S. Hudson Ave  
Any day 8:00 am-6:00 pm

**THANK YOU!**

### TULSA AREA LION'S CLUB

Saturday, the 18th of April, the Lion's Club came with griddles, and all the makings for their annual pancake breakfast. Before it was all over, they served more than 600 delicious meals.

### FAITH UNITED METHODIST

We were invited to speak about the Day Center to the congregation on their Mission Wednesday. We had the pleasure of watching their assembly line put together more than 700 oatmeal packets for our night shelter client's breakfast.

### TULSA BAR ASSOCIATION

This group organized a drive to collect items for our Housewarming Kits. They collected enough items to fill more than 8 kits. In addition to the items, they also gave us a cash donation, which we will use to buy beds for the clients that are moving into a permanent place of their own.

---

### Other Ways to Help

- **Speak up** - When your school, athletic team, scout group, office or other organization is looking for projects to do in the community give us a call!
- **Host a Housewarming Party** - Do you need a reason (or excuse) to get the girls together for an evening? Hold a housewarming party to benefit our clients transitioning into housing. Each client is given the basics to start a household. We are happy to supply a list of needed items.
- **Invite us to the party** - Instead of stating "no gifts please" on the invitation to your next party, include a list of items your guests could bring for the Day Center.
