

STATEMENT OF CITIZENSHIP, ALIENAGE, AND IMMIGRATION STATUS

Print name of applicant (the applicant is the person who wants Medi-Cal)	Date
Print name of person acting for applicant	Relationship to applicant

SECTION A: MEDI-CAL BENEFITS TO CITIZENS AND ALIENS

Citizens and nationals of the United States who meet all eligibility requirements may receive full Medi-Cal benefits.

Aliens who meet all eligibility requirements may receive either full Medi-Cal benefits (if they are in a satisfactory immigration status) or restricted benefits limited to emergency and pregnancy-related services (if they are not in a satisfactory immigration status).

Satisfactory immigration status and full Medi-Cal benefits for aliens: Federal and state law provide that *full* Medi-Cal benefits may be received only by aliens who are in a satisfactory immigration status and who meet all eligibility requirements **including California residency**. Aliens are in a satisfactory immigration status if they are amnesty aliens with valid and current lawful temporary resident cards (I-688) or lawful permanent residents or permanently residing in the U.S. under color of law (PRUCOL). **The 16 PRUCOL categories are listed in SECTION B, question 5 below.**

Documented aliens not in a satisfactory immigration status who meet all eligibility requirements, **including California residency**, may receive restricted benefits (limited to emergency and pregnancy-related services).

Undocumented aliens who meet all eligibility requirements, **including California residency**, may receive restricted benefits (limited to emergency and pregnancy-related services).

Citizenship/immigration status information: Every person requesting Medi-Cal is required to provide information about his/her citizenship or immigration status. Immigration status information provided as part of the Medi-Cal application is confidential and cannot be used by the INS for immigration enforcement unless you are committing fraud.

Alien status documents and verification requirements: Aliens who claim to be in a satisfactory immigration status (SIS) for Medi-Cal purposes must present INS documents that show their immigration status if they have an INS document or are eligible to obtain one. Aliens who claim to be in an SIS, but who cannot obtain an INS document or replacement receipt (for example, aliens in the last PRUCOL category indicated in SECTION B below) should submit other evidence establishing their immigration status. INS documents will be verified by the INS. Aliens who do not have these documents with them, or who have unreadable documents, may bring us receipts which show that they have applied for replacements. Aliens will have 30 days to do this, or until their Medi-Cal application is ruled on, whichever is longer. If the alien is otherwise eligible, Medi-Cal will be issued during this period and while the submitted documentation is being verified by the INS. If none of the documents contains the applicant's photograph, they must show us an identity document which establishes that the applicant is the person named in the documents.

Social Security number requirement: Every person requesting Medi-Cal who has a Social Security number is asked to provide it to the county welfare department. U.S. citizens, U.S. nationals, and aliens claiming to be in a satisfactory immigration status who do not have a Social Security number must apply for one and provide it to the county welfare department. Aliens in satisfactory immigration status for Medi-Cal purposes who need help applying for a Social Security number should ask their eligibility worker for assistance. Aliens who are not in a satisfactory immigration status and who do not have a Social Security number can still get restricted Medi-Cal if they meet all eligibility requirements.
