

Donate Your Used Books

Dear Parents and Guardians,

This is Neha Godbole and Riyana Parekh, students at Wayzata High school. Both of us are members of the National Honors Society, and as a part of our senior leadership project we will be collecting gently used books from the school to donate. The book drive will take place during February 22nd –26th. Each class will have a box to collect the books in and the class with the most books will receive a treat! All the books we receive will be donated to Read Indeed, a nonprofit literacy organization, who will be distributing the books to at-risk children. We would greatly appreciate your help in collecting as many books as possible and benefit a great cause!

Thanks for all the help,

Where: In the Classrooms

When: February 22-26

Sponsored By:
Wayzata Highs School NHS

To Benefit: Reed Indeed
