## Stuff the Bus for Kids in Need!

July 6 - September 18, 2015

Please join Staples and the newest community partner, Hyundai South Surrey in our 7<sup>th</sup> annual Stuff the Bus campaign to help local students in need. We have raised over \$166,000 in the last 7 years through your contributions and we have helped over 4500 students in Surrey acquire essential supplies needed for learning throughout the school year. We invite you to visit one of our Surrey locations (South Surrey, North Surrey and Cloverdale) to help us reach our goal of \$50,000. 100% of all funds donated will be distributed locally as school supplies to the students in School District #36 who need it most. Let's help our community set up its students for success this year, one donation at a time.
