

Support for the Art and Science of Core Energetics Practice

Enhance psychodynamic insight • Learn to use and trust your body empathy • Increase your skill in the therapeutic use of relational energies: Transference and Countertransference • Explore new techniques and interventions in your work with clients • Receive support to build or grow your practice • Experience the personal growth that working with clients offers • Learn when and how to use self-revelation effectively in practice • Connect regularly with other practitioners in an environment of mutual support.

Small groups meet for 1 1/2 hours approx. every 3 weeks via Skype for a total of 12 meetings. Package of 12 groups for group of 4 is \$600 (\$50/group). Package of 12 groups for a group of 3 is \$720 (\$60/group). Payment plan is available. Meeting times will be determined by members availability.

Note: 12 groups will be equivalent to 9 individual supervision sessions for Core Energetics student trainees.
