

I Have a Dream

HELP US HELP YOU....

Get YOUR WORK into the WORLD

Can YOUR institution get 15 or 20 percent of its alumni to become members of USABP?

Image IF just 5% of your graduates became members of USABP we could:

What about 25%?

Support the publication, production, and distribution of our Journal which is critical for our advancement as a profession

Develop the educational/CEU arm of USABP

Fully fund the Institutional Advisory Council which will allow us to establish a

unified

voice for our profession.

Be the

resource for undergraduate psychology programs as they look to incorporate courses which include our field

Support grant for those who want to include body-centered approaches in their protocols.

What do I do to help USABP fulfill this dream? Here are just a few suggestions:

1. Post our logo on your home page and link it back to USABP
2. Send EMAIL blasts telling your members about USABP
3. Run a FEBRUARY TO JULY SPECIAL: For every person who becomes a member from your modality (verified by their certificate) we will give YOUR INSTITUTION \$20!
