

## WORLD'S TOP 100 CLUBFITTERS for 2016

KZG, the #1 Custom ProLine, is pleased to announce the eleventh annual "World's Top 100 ClubFitters" Awards for 2016. Each year KZG honors 100 outstanding ClubFitters possessing superior skill, integrity and passion for their profession.

The 2016 'Top 100 ClubFitters' are veteran fitters with a proven track record.

They use sophisticated launch monitors. They understand club head design and shaft profiles. They know how to analyze a swing and what combinations of heads and shafts will maximize the performance of that swing. And of equal importance, they provide quality built clubs to their clientele, which includes all head adjustments, weight-sorting each component, spine aligning and frequency matching.

This year's Honorees hail from 20 countries around the world, including 41 from the UK/Europe, 36 from the United States, 9 from Canada, 4 from Asia, 8 from Australia and 2 from South Africa. The Honorees come from a wide variety of locations ranging from small stores serving rural areas to large performance centers with multiple fitters and instructors. All are highly skilled and continue to hone their skills to raise the bar for their profession.
