

# IMPORTANT PROGRAM NEWS

We would like to share an important *Labels for Education*® program change. *eLabels for Education*™ will be coming to an end on July 31st, 2015. All purchases of *Labels for Education* participating products made using an *eLabels for Education* registered loyalty card will continue to be deposited into your school's *Labels for Education* bank account through July 31st, 2015.

## WHAT HAPPENS AFTER JULY 31, 2015?

After that date you will still be able to clip, submit and earn points for your school with any of the 2,500 Participating Products – as you always have.

## WHERE CAN I FIND A LIST OF THE 2,500 PARTICIPATING PRODUCTS?

A full list of the Participating Products can be found on the Participating Products page, under the Earn Points tab on LabelsForEducation.com. Also, if you are ever unclear on whether or not a product is participating, use the UPC look-up function, also housed on the Participating Products page.
