

FAQ:

The Future of Foothills Community Church

What will Pastor Steve and Becky be doing?

As the President of Reach Beyond, Steve will be leading a mission agency and inspiring Jesus followers to finish the Great Commission. Becky will continue with her writing and speaking ministry, while joining Steve in his many travels. Beginning in September and throughout the fall months, Steve will be noticeably absent, as he and Becky will be travelling throughout the world with Reach Beyond.

Will Pastor Steve have a future role at FCC?

From time to time, he'll preach and teach, as the opportunity allows. Pastor Steve will also continue to be a mentor to Kyle.

What's Next for FCC and our leadership?

The Church Board has recognized and affirmed God's calling to missions on Pastor Steve's life. We are proud to support him in this transition. As such, the Church Board has unanimously and enthusiastically endorsed our current Associate Pastor, Kyle Morris as the new Lead Pastor of FCC.

How has God prepared Kyle for this role?

Eight years ago, Kyle joined our staff as a pastor in our Student Ministries. Kyle was then promoted to Pastor of Discipleship and served on our Directional Leadership Team. Most recently Pastor Kyle has ministered alongside of Pastor Steve, sharing in the preaching and leadership responsibilities. Over the last two years, Steve and Kyle have met weekly for mentoring and leadership development. Kyle feels called by the Lord to be our Lead Pastor.

Will the congregation have the opportunity to express their voice?

Yes. The Church Board has formally nominated Kyle for the position of Lead Pastor. The members will now have the opportunity to prayerfully cast their vote. Ballots are available in the lobby. Voting opens May 15 and closes May 22.

When will this leadership transition happen?

Steve will begin with Reach Beyond September 1st. After a congregational vote, Kyle would move into the Lead Pastor role on August 1st.
