

PUBLIC COMMENT

The Process

The government asks for your opinion on a new program or policy change

The Purpose

WHY PARTICIPATE?

Your participation lets policymakers know what you think of new ideas. With your feedback, policymakers can make changes to their plans to better serve you and your needs.

Public comment periods are one of the best ways to have your opinion heard and advocate for change on issues you are passionate about!

USE THE RESOURCE CENTER!

The ASERT Resource Center can provide you with information on several different topics, which can help inform your participation in public comment periods.
