**This year, we kicked off the Fun Run Challenge in a big way with the announcement of some exciting changes.**

Although in previous years we've enjoyed great exercise, fun and fund raising success, we thought it was time to step up the **Challenge**. This year, students will run along the nature trail, baseball field and basketball court where they will encounter challenging obstacles—some natural, and some creatively put together by students and families.

The course will test participants on their ability to **Run, Climb, Jump** and **Crawl** through the course. (Note: K-2 students need to be accompanied by an adult through the course.)

**What a great way to show our kids the joy of staying healthy and raising money for our school at the same time.**

## **Other event highlights:**

- All participants will receive a t-shirt.
- Every \$25 raised increases your chances to win a drawing for prizes.
- The top three money raising classes get a Smoothie Party!

**Registration deadline has been extended to Tuesday, 3/29/16**
