

## Junior Sailing Program in Essex, CT

The **Pettipaug Sailing Academy (PSA)** is an instructional sailing program **open to the public for juniors, ages 8-16**. The program is conducted from **late June to mid-August** at **Pettipaug Yacht Club**. Our training boats are Optimist dinghies, 420's, Blue Jays and Lasers.

PSA is all about fun on the water and teaching many important lessons along the way-sailing skills, adapting to the forces of nature, personal responsibility and sportsmanship to name a few.

The PSA Director is supported by US Sailing certified senior instructors. Junior instructors are selected from the older students who have exhibited responsible behavior as well as excellent boat skills. Parent volunteers round out the crew, assisting at the clubhouse or transporting junior sailors and their boats to regattas.

**TO REGISTER:** Please go to our website at [www.pettipaug.com](http://www.pettipaug.com) and see our registration form under Pettipaug Sailing Academy. Forms are now available online for summer 2016.
