

Dear Community Member,

Philly Cure HD (Huntington 's disease) is a local grassroots nonprofit organization established in 2010 by the local HD community. On April 17, we are having our 6<sup>th</sup> annual fundraiser and awareness walk at Gwynedd Mercy University campus and we are looking for **sponsorship**.

The mission of Philly Cure HD to improve the lives of those local individuals afflicted with HD and their families by:

- **Providing counseling, future planning and referrals for assistance.**
  - Our social worker, the only paid employee, provides these services.
- **Fostering a strong HD community.**
  - Philly Cure HD hosts quarterly social events to foster natural settings where patients and families can make connections and natural supports
- **Educating families and the greater community regarding HD**
  - Our social worker provides families with resources and opportunities for learning
- **Supporting HD research.**
  - We donate much of our proceeds to The Hereditary Foundation, a non-profit at the forefront of HD research.

**Your sponsorship can come in a variety of forms:**
