

ARE YOU CARING FOR SOMEONE WITH HUNTINGTON'S DISEASE?

Research is being conducted to examine emotional factors associated with the caregiving experience.

Would you like an opportunity to share your experience?

Eligible Participants:

Anyone over the age of 18 and currently serving within the caregiver role for an individual with Huntington's disease.

How you can participate:

Participants are asked to complete an online survey, at the link below. The survey will take approximately 30 minutes. Participants will remain strictly anonymous in all documentation and data collected.

Please Visit:

<https://www.surveymonkey.com/s/HDcaregivers>

Any questions or comments about the research can be directed to Jamie Graziano, a doctoral student in Clinical Psychology at Immaculata University.
