CSAH 31 IMPROVEMENTS PROJECT

Pilot Knob Road from I-35E Ramp to Central Parkway in Eagan

Dakota County and the City of Eagan are working together to plan for and construct improvements to County State Aid Highway (CSAH) 31/Pilot Knob Road from the I-35E ramp to Central Parkway.

The roadway layout (left) illustrates the proposed concept that resulted from the preliminary design efforts including stakeholder & agency feedback and coordination with property & business owners. The project team is now working towards completing construction plans for the entire corridor.

The project is committed to maintaining access to all businesses throughout construction. The project will provide detour route signing for individual business as appropriate during construction.

PROJECT DETAILS & SCOPE

- Reconstruction of Pilot Knob Road from Central Parkway to south of Yankee Doodle Road
- Addition of a southbound lane
- Addition of turn lanes
- Revised median design
- Replacement of two signals
- Reconstruction of trails and sidewalk
