Rosemont Community Event —Three Benefits: One Event. Saturday, May 21, 2-5 p.m.

- 1. Fundraiser for 360 Communities**
- 2. Performance of Medi-CAR Jingle by Rosemont Chamber Choir (3 pm)**
- 3. Celebrate anniversaries of several Rosemont Plaza businesses**

Medi-CAR Auto Repair, Chill Salon, The Guitar Shop, Lazy Leash, and Rockstar Rebels invite the community to celebrate our anniversaries at a family fun event in the Rosemont Plaza parking lot.

While food and beverages (Walking Tacos!) will be free — (until supplies last), we will be accepting donations for the 360 Communities. Funds will also be raised with a drawing for multiple prize baskets, including a kid's bike, Twins tickets, pet care, and much more. Activities include a live band, bounce house, baby farm animals, auto science demonstrations and MORE!

Business and Education Collaboration

The Rosemont Chamber Choir will be performing the Medi-CAR Auto Repair jingle at 3pm during the event. Medi-CAR commissioned the Chamber Choir to create a jingle based on the business mission statement. This jingle will be recorded and used for Medi-CAR's on-hold message!

About Medi-CAR Auto Repair: Established in 2009, Medi-CAR Auto Repair is a local, independently-(woman)-owned shop based in Rosemont servicing Eagan, Inver Grove Heights, Apple Valley and Farmington and the greater Twin Cities area. Our “doctors” are honest, skilled (with Euro expertise) certified technicians who can diagnose what’s wrong with your vehicle, advise you on the best treatment plan to get your car out of the shop and back on the road.

Similar to your own health, with proper and preventative care, your car can be assured a long life.
