

# BREAK THE CYCLE OF CRIME

The Dakota County Jail in Hastings is working to break the cycle of crime for offenders and is working with those who want to change. Most are part of the jail's RAP (Re-entry Assistance Program) supported and financed by the Dakota County Board. Finding JOBS is a key element to BREAKING the cycle of crime!

Can we count on you to help us match your business needs with former offenders' skills? Call us to help change a life!
