DCR Chamber Announces Office Move

Eagan, Minnesota- After 12 years of calling Town Centre Drive home, the Dakota County Regional (DCR) Chamber of Commerce is excited to announce its relocation effective, April 1, to 3352 Sherman Court, Suite 201 in Eagan. The new office provides many professional amenities including easy access from 35E and Pilot Knob Road, free parking, conference and meeting space, state-of-the-art technology, volunteer/member workspace, and growth and expansion for the coming years.

"This move allows us to continue benefiting from the advantages of being centrally located in Dakota County, and is also great momentum for positive change and growth in the 2015 year," said Vicki Stute, President of the Dakota County Regional Chamber. "Town Centre Drive has served us well, but we are excited about the opportunities a new location provides in terms of efficient and effective interaction with the Dakota County Regional community and our members."

The Chamber will hold an open house at their new location on May 12th from 4:30-6:00. Please join us for networking and refreshments. Everyone is welcome, even if you are not a Chamber Member.
