Event Guide

Welcome to Danzapalooza— Chicago!

Thank you for supporting our first-ever Danzapalooza Chicago! We feel certain that you'll have a fun time, meet lots of new friends, and learn a bunch of cool new dance moves.

We chose the name Danzapalooza because we wanted to offer a variety of dance styles. In addition to that, we specifically recruited some of the best dance teachers in the Chicago region as workshop instructors for a couple of reasons: first, we want to support the local dance scene and local studios. Second, we feel that if you'd like to follow up on what you've learned at Danzapalooza, you should be able to contact these instructors locally. Their individual contact information is on our website, or just speak with your favorite teachers about where and when they'll be teaching. Most of our instructors are also available for private sessions this weekend. We thank these dance professionals for their support, encouragement and input!

We encourage you to mingle and ask different people to dance with you, keeping in mind that we all had to start somewhere. If you're new to the dance scene, we think you'll find dancers to be among the nicest group of people around!

Our goal is to make Danzapalooza Chicago an annual event, and with your continued support and feedback we can make that vision a reality! Thanks again for attending, and have a wonderful weekend!!!
