Creative Classes

10 Minute Quilt Block

Create a fast inset diamond center with curved edges with out sewing any curved seams by using a simple three seam technique, created by Suzanne McNeill. This entire quilt was pieced in a single morning. Its an easy way to use up leftover scraps. Use 10" squares and make a lap top quilt (51" x 70") or use 5" squares and make a table topper (24" x 33").

Tuesday, Jan 5 — 10-1 pm

Fee: \$15 + pattern

Kid's Sewing Class

We will be completing another fun project from the "I Can Quilt" book: a quilted place mat using chalkboard fabric so you can write messages or draw pictures on the place mat with chalk. Bring your own print fabrics for this project. The chalkboard fabric will be provided in class.

Saturday, Jan 16—10-1 pm

Fee: \$20

Snowman Seasonal Table Topper

This fun table topper is one of 12 seasonal designs from the Kimberbell Cuties 12 Seasonal Table Toppers pattern book. These table toppers are a great way to build piecing, applique, and quilting skills on small projects that are quick to complete and fun to use. The quilts can be completed using the fusible raw edge applique techniques in the book, or you can

purchase the companion CD of machine embroidery applique designs to go with the book and let your embroidery machine do the stitching for you. Both methods have been used on the sample quilt on display at Just Sew Studio.

Friday, Jan 8 & 15 —10-1 pm

Free-motion Quilting for Beginners (or anyone who wants a little more practice)

Don't know where to start with Free-motion Quilting? This class will cover the basics to get you started quilting with your home machine. Each month will concentrate on different designs ranging from easy meandering to more complicated feathers as you build your skills making "quilt-as-you-go" blocks for a fun lap quilt from the book "First Steps to Free-Motion Quilting". Session 1 - January—Get started on free-motion quilting. This session will cover basting the quilt sandwich, tools and equipment, threads, starting and stopping, machine speed, and meandering stitch designs. We will be stitching on practice fabrics in class for this session.

Know Your PFAFF Classes

Embroidery Software Class

Embroidery Editing for the Flowers & Angels Quilt—Learn how to use your Pfaff embroidery software for editing and combining designs. This 6 month series will have you creating 2 quilt block designs each month using editing tools in your embroidery software to split apart and combine ready made designs and add decorative machine stitches in your software. Session 1: Combine machine stitches in the embroidery module with ready made embroidery designs, edit an embroidery design, use Encore, Border, and Edit modules in Embroidery Extra and split a large design for embroidery. Class time will be used to create the block designs in the software. Instructor will cover materials needed for the quilt and techniques for embroidering the blocks so participants can embroider the blocks at home.
