About *The Reality Group*:

For years, Tim and Debbie struggled to work *for* God and to live the Christian life. But one day, God revealed to them that such a goal has never been possible!! God never intended for Christians to live their lives *for* Him. Instead, He has made a way for Christ to live His life in and **through** them!!

After the revelation from God that transformed Tim and Debbie's lives, they realized that most Christians today are as performance-based as they were! They spent their whole lives trying to get what they already had/have, trying to achieve what had already been done for them, and trying to accomplish what is impossible for them to do! No wonder they felt frustrated and unfulfilled!! That's not the life God has planned for Christians!

The Reality Group was founded to share the full truth about God's grace!! It's not just for salvation--it's for life; and not just any old life. God's grace is all about an ABUNDANT, VICTORIOUS, FULL TO THE TOP, and OVERFLOWING LIFE!! The Christian life that God has planned for us is not about doing--it's about relationship. It's not about service--it's about abiding. It's not about striving--it's about resting.
