### The Rothschild Connection (part fourteen)

**Welcome to the Rothschild family, Mr. President!**

**1913** On March 4, **Woodrow Wilson** is elected the 28th President of the United States. Shortly after he is inaugurated, he is visited in the White House by Ashkenazi Jew, Samuel Untermyer of the law firm Guggenheim law firm. Untermyer and Marshall try to blackmail him for the sum of \$40,000, in relation to an affair Wilson had (with a fellow professor's wife), while he was a professor at Princeton University.

President Wilson does not have the money, so Untermyer volunteers to pay the \$40,000 out of his own pocket to the woman Wilson had had the affair with, on the condition that Wilson promises to appoint to the first vacancy on the United States Supreme Court a nominee to be recommended to President Wilson by Untermyer. Wilson agrees to this.

Jacob Schiff sets up the Anti-Defamation League (ADL) in the United States. This organization is formed to slander anyone who questions or challenges the Rothschild global conspiracy as "anti-Semitic" – now, the nation's premier civil rights/human relations agency. Interestingly enough, Christians are not protected under this organization; but rather, targeted.

Strangely enough, that same year, they also set up their last and current central bank in America, the **Federal Reserve**. Following the passing of the Federal Reserve Act on December 23, Congressman Charles Lindbergh stated,

*"The Act establishes the most gigantic trust on earth. When the President signs this Bill, the invisible government of the monetary power will be legalized.....The greatest crime of the ages is perpetrated by this banking and currency bill."*

It is important to note that the **Federal Reserve is a private company**. It is neither Federal, nor does it have any Reserve. It is conservatively estimated that profits exceed \$150 billion per year. The Federal Reserve has never once in its history published accounts.

### ROTHSCHILDS START THEIR FIRST WORLD WAR

**1914 The start of World War I.** In this war, the German Rothschilds loan money to the Germans; the British Rothschilds loan money to the British; and the French Rothschilds loan money to the French. War anyone?

Furthermore, the Rothschilds have control of the three European news agencies: Wolff (est. 1849), in Germany; Reuters (est. 1851), in England; and Havas (est. 1835), in France. Each of these news agencies is used to fuel propaganda, in order to cement objectives.

One of the great mysteries surrounding the Rothschild family is that they are rarely, if ever, in the news. This is not such a mystery when you understand they own the lion's share of the media. Due to the internet in the 21<sup>st</sup> century, this is becoming more and more difficult for them; but I am told that they are working it.

**1916** On June 4, Ashkenazi Jew, Louis Dembitz Brandeis is appointed to the Supreme Court of the United States by President Wilson, as per his agreed blackmail payment to Samuel Untermyer, some three years earlier. Justice Brandeis is also the elected leader of the Executive Committee for Zionist Affairs. Yes, there is an official government committee to protect and work with the Zionists.

**The middle of World War II.** Germany was winning the war, as they were being financed by the Rothschilds to a greater extent than France, Italy, and England - because Rothschilds did not want to support the Tsar in Russia. And of course, Russia was on the same side as France, Italy, and England.

Then a significant event occurred. Germany, although they were winning the war and not one foreign soldier had set foot on their soil, offered armistice to Britain with no requirement of reparations. The Rothschilds were anxious to make sure this didn't happen, as they were expecting to make far more money off this war. So they played another card they had up their sleeve.

While the British were considering Germany's offer, Rothschild agent Louis Brandeis sends a Zionist delegation from America to Britain to promise to bring America into the war on the side of the British - provided the British agreed to give the land of Palestine to the Rothschilds.

The Rothschilds wanted Palestine for the following reason. They had great business interests in the Far East, and along with their own military, desired their own state in that area, which they could use as an aggressor to any state that threatened those interests.

The British subsequently agree to the deal for Palestine. The Zionists in London contacted their counterparts in America and informed them of this fact. Suddenly, all the major newspapers in America (that up to that point had been pro-German), turned on Germany. They began running propaganda pieces such as: German soldiers were killing Red Cross Nurses; German soldiers were cutting off babies' hands, etc., in order to manipulate the American public against the Germans.

This same year, President Woodrow Wilson ran a re-election campaign under the slogan, "Re-Elect the Man Who Will Keep Your Sons Out of the War." Really, Mr. President? You need to remember who your boss is.

On December 12, Germany and her allies offer peace terms to end the war.
