

Hello U Park Families!

My name is Donna Laurent. I am so excited to be joining the first grade team next fall. I have been teaching in Denver for 14 years. I am a life-long learner with degrees in education, psychology and a master's degree in reading instruction. I look forward to teaching your children. My passion is teaching, inspiring, and challenging young children to love learning. Parents are always valued and welcomed in my classroom! If I am fortunate to teach your little first grader next fall, I hope that you will consider volunteering in our room!
