Guardian Name(s): _____ Grade ENTERING in 2016-2017 school year: _____

Please return this sheet to the main office on or before April 9th

The following information will be taken into consideration as teachers work collaboratively to place children into classes. Please understand that the teachers and the school will place your child in a classroom that best meets his or her needs at the time. **On the back you will find our class placement process.**

Learning style; please describe your child's learning style:

Behavioral Needs (social emotional); please describe your child's behavioral needs:

Other:

Student Placement Process

At University Park, we will create well-balanced classrooms to ensure all students and staff are set up for success. Below you will find the outline for what will take place in terms of placing students in classrooms for the 16-17 school year.

1. The student information sheet will be sent home via our newsletter in March.
2. This spring, classroom/support teachers will begin discussions about student learning styles and begin discussions on student placement.
3. During professional development, each grade level will meet with the entire support staff to begin creating well-balanced classrooms.
4. Staff will create balanced classrooms and submit to Mr. Varveris before the end of the year.
5. Mr. Varveris will place teachers' names on class lists after the rosters are made – this is to ensure our ability to create well-balanced classrooms.
6. Parents will be informed through our last school newsletter in early July.
 - a. The newsletter will include –
 - i. All homeroom rosters
 - ii. Supply lists
 - iii. Letters from each grade level to students and families

As always, please feel free to email (grant_varveris@dpsk12.org) or call (720-424-3410) Grant with any questions.
