

ARE YOU READY FOR SUMMER?

SUMMER ACADEMY IS:

READING

You'll improve your English and reading skills.

LEARNING

You'll learn about cool science topics like wild and endangered animals, zoology, ecosystems or bugs!

ACTIVITIES

Brain Gym breaks help you stay active while you learn. You'll also make your own hardcover book to show off what you've learned!

FUN!

Summer Academy is the best way to make sure students are on track for success in the next school year! Registration letters will be sent in January. Please make sure to return the completed registration form to the school office by Friday, March 18 to reserve your place and guarantee transportation, if eligible.
