# Clean out your closets. Help your school raise money.

You have **one month** from now to donate!

Please **BAG** and bring your gently and beyond gently used clothing and shoes back to school and help us fill up the **Red Apple Recycling** donation box. For every pound we collect, the school will earn money to help pay for sustainability and wellness programs throughout the year.

- ▶ Fill up **BAGS** with those items you no longer want or need.
- ▶ Tell your neighbors, families and friends about the clothing drive.

## What to Donate

- ▶ ANY type of clean clothing
- ▶ Shoes
- ▶ All other household textiles
- ▶ Toys & stuffed animals
- ▶ Belts, purses & backpacks

## What we do NOT accept

- ▶ Computers, TVs & other large electronic devices
- ▶ Furniture, large appliances, fixtures
- ▶ Luggage, bicycles, skis or ski boots
- ▶ **Please Do Not Leave Items on the Outside of the Box**

### PLEASE REMEMBER

**BAG** your donations to protect the items. Leaving items that we cannot accept incurs costly overhead and takes away funding from the schools. **DO NOT leave items outside of the box.** If you have items to donate that are not listed above, please call 303-725-7171. Also, please consider donating all year long to fund **Red Apple Recycling's** grant program!

**Red Apple Recycling** is a Denver-based non-profit that focuses on funding local schools' sustainability and wellness programs. To date, **we have raised over \$95,000** to continue valued efforts like recycling, composting, creating gardens and wellness programs. To find out more visit **redapplerecycling.com**.
