

# Tech Summer Camps

Educational • Fun • Year-Round Options

**Fun-filled Technology Camps for kids 8-17 at Silicon STEM Academy.**

- Half-day camps with full-day options.
- Wide variety of subjects & skill levels.
- Small 8:1 camper:counselor ratios.
- Early drop-off and late pick-up offered.
- Hands-on REAL-WORLD education.

**"My son has finally found his 'place'. This will become his 'after-school sport' for the next four years of high school!" - Annette**

**Computer Programming**

**Stop-Motion Animation**

**Digital Media**

**Lego & Tetrix Robotics**

**Minecraft Modding**

**Games & Animation**

**Girls-Only Camps!**

**Arduino Electronics**

**Silicon STEM Academy** offers affordable summer camps and after-school courses for Denver area tech kids. We are locally owned, and offer year-round courses in our state-of-the-art SE Denver tech training center. Our advantage over the other camps is that your children's tech education doesn't have to end when summer is over—they can continue to explore their passion in a variety of subjects in our year-round after-school classes!

*Conveniently located near S. Colorado Blvd. and Yale Ave.*
