LATE NIGHT MIAMI

Sponsored by the Office of Student Activities, Late Night Miami hosts free events to all students every Thursday, Friday and Saturday night of the semester. In partnership with the Division of Student Affairs, Miami student organizations, and University departments, the campus comes alive each weekend with free concerts, coffee houses, box office hit movies, block parties, casino nights & more!

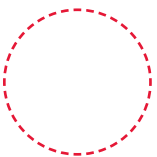

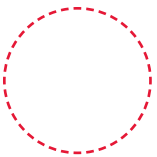

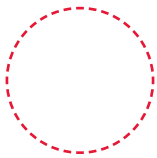

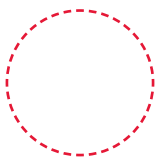

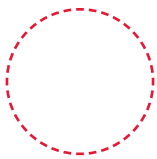

To view the Late Night Miami calendar, follow us on Instagram or Twitter: **@MiamiSAL** or search **#LateNightMiamiOH**.

Enter to Win! Orientation Resource Fair Contest

Miami staff members are eager to connect with you and help you learn more about campus resources! Collect a sticker at each table you visit, and place each sticker in the outlines to the right. Once you have collected five stickers, write your name and email on this card, tear it off, and drop your form off in the contest form collection box located outside of the Armstrong Student Center Pavilion for a chance to win prizes (like gift cards and t-shirts) at the orientation closing session. As a note, only new Miami students are eligible to win.

Name: _____
