Medicine Buddha

As has been confirmed by both Western and Eastern scientific research, strength of the mind and will has a major role in the process of healing.

*A Truly Unique
Opportunity.
Once in a Lifetime
Experience.*

For millennia our ancestors have been aware of the effect of spiritual practice upon healing, and have used it as a necessary supplement to medication. The Medicine Buddha empowerment is meant to establish that special connection

During this empowerment ceremony, the participants connect with Medicine Buddha and strengthen their ability to receive benefits of the healing powers of all the Buddhas.

Each participant's three doors (body, speech, and mind) are purified of negativities and blessed individually.

*\$20 suggested donation at the door -no one will be turned away for lack of funds.-
Fundraiser for the monks' building improvements, medical and living expenses in exile.*

If you are unable to make these events or want to schedule a private healing or a House Blessing for a suggested donation, call 480-710-4355.)
