

SOMETHING NEW FOR 2016 4-DAY Balloon Rally

A Taste of the Albuquerque Balloon Fiesta – Just 4 Days!

Fantasy takes you up, up and away with the spectacle of more than 500 beautiful balloons at the 45th “Desert Kaleidoscope” balloon fiesta in Albuquerque, New Mexico, OCTOBER 7-10.

Good Sam Club

The entire festival lasts from October 1-9, but Fantasy’s first-ever program for this Good Sam members only tour is a four day fiesta of festival highlights. You sample things you would during the entire nine-day event --talk about maximizing your RV experience!

The Albuquerque Balloon Fiesta is a sensory feast. It’s an incredible visual of colorful balloons in all shapes and sizes painting the endless Southwestern sky. It’s the thrilling roar at night of countless burners igniting simultaneously, transforming Balloon Fiesta Park into a dazzling light show. It’s the collective gasp of exuberance as hundreds of balloons, solemn precursors of dawn, rise to greet the sun. There just aren’t enough superlatives to describe this event: it’s the biggest ballooning event on earth, the most photographed event on earth, and the largest international event held in the United States! And if this doesn’t put it in enough perspective for you – the 78-acre launch field at Balloon Fiesta Park is 54 football fields long, all strung together!

Everyone’s dreams take flight in the pristine October climate Albuquerque is known for: crisp early mornings and evenings, coupled with sunny but cool days.

Key to the event is a meteorological phenomenon that we have come to know as the Albuquerque Box, a predictable wind pattern that allows balloonists to expertly control and retrace their flight paths in the blazing blue skies overhead.

On Fantasy’s four-day Balloon Fiesta, you’ll literally camp right in the middle of the action with premier RV parking at the official Balloon fiesta RV park, including water and electric, daily access to the balloon fields, and a private hospitality tent with coffee and snacks, a nacho and margarita social, catered meals and entertainment. Fun is definitely in the air with two Special Shapes Rodeos, the morning flying events, and two nighttime Special Shapes Glowdeos, static displays of Special Shape Balloons; two fireworks shows, and a shuttle to historic Old Town Albuquerque --the best of the entire Balloon Fiesta in just

three nights and four days!

One could not ask for a more genial and handsome host than Albuquerque itself. The reddish glow of the Sandia Mountains at sundown, and the majestic mesas on the horizon as far as the eye can see beckon all to the Land of Enchantment. People here are gracious and friendly, anxious to share their wealth of New Mexican culture and history with all visitors. And what could make your spirits soar more than Fantasy’s \$100 special Good Sam discount for this exclusive itinerary!

Let Fantasy show you the fall splendor of the magnificent Southwest. Embrace the larger-than-life balloon community with its riot of colors, sounds and characters. **New Good Sam friends are waiting to welcome you at camp, as you all come together to celebrate one the world’s most spectacular events, The Albuquerque Balloon Fiesta!**
