A word from the Organizing Committee

It is with great pleasure that we share with you the very first Seniors Summit programming, as part of the 'World Acadian Congress 2014'. This event is one of a kind for Seniors and was an initiative from *l'Association francophone des aînés du N.-B.*, which has, for thirteen years now, initiated many events to promote gatherings of 50 years and older francophones in New Brunswick. Its mission is namely to promote the well-being of its members and to defend their lawful rights in order to contribute to their individual and collective growth and fulfillment.

The importance of our 50 years and older population goes far beyond statistics, as they play a vital role in our communities! It is from this perspective point that we have elaborated our programming, which demonstrates different aspects of ageing and shows the importance and potential of our aging population, through their knowledge, their energy and know-how and the many ways they can contribute to the future growth of our communities.

We invite you to register as of today or before June 30th 2014 in order to benefit from our reduced registration fee and hope to see you in great numbers to this Great Gathering in the history of the World Acadian Congress.

The Organizing Committee of the Summit, from left to right, in the front row : Jean-Luc Bélanger, General Manager of the AFANB, Elisabeth Jalbert Pecoraro from Maine, Nora Saucier from New Brunswick, René Paquette, General Manager, *Carrefour 50+ du Québec* and Michaël Dubé, Seminars & Conferences Coordinator CMA 2014; in the back row, Roland Gallant, Chair of the Summit Organizing Committee, Yves Michaud, Chair of the *Carrefour 50+ du Québec*, Jean-Louis Gervais from New Brunswick, Jean-Luc Racine, General Manager of the *Fédération des aînés et aînées francophones du Canada* and Robert Frenette, Summit Coordinator.
