

May is “Art Wave” month,  
Children's Art in historic  
district businesses!

The PT Artscape works to insure that  
all students are getting arts education in  
grades K-12 in the Port Townsend  
School District.

Art Wave at Maricee - photo by Deja Webster

Join in “ART WAVE,” an inspiring exhibit of over 400 pieces of children's artwork created in the Port Townsend School District in grades K-12 displayed through the month of May in businesses in the Uptown and Downtown historic districts.

You can also help by hosting an “Escape into Art” fundraising jar for the month of May. All the money collected from the donation jars will benefit children’s art education programs in the Port Townsend School District.

Another way to help support art education is to bring your own bag when shopping at the Food Co-op. PT Artscape will have a jar in the “Bean for Bags” program during the months of May and June. Receive a bean when you bring your own bag and vote for us by putting your bean in our jar. For every bean collected, the Food Co-op will donate 5 cents to PT Artscape, every penny counts!

To sign up for “ART WAVE,” please send \$10 with the form below to  
Port Townsend Main Street Program  
211 Taylor Street, Suite 3  
Port Townsend, WA 98368

*Thank you for supporting children’s art education in Port Townsend!*
